The image shows a screenshot of the 'RESEARCH SMART' tutorial website. At the top, it features the Chinese University of Hong Kong Library logo and the text 'CHINESE UNIVERSITY OF HONG KONG LIBRARY'. Below the title, there are five navigation tabs: 'Start Your Research', 'Search Effectively', 'Find Resources', 'Evaluation', and 'Disseminate and Share Information'. A central text box contains the following information:

Welcome to the Research Smart Tutorial

Learn how to properly and efficiently find, utilize, evaluate, legally share and create content using digital technologies. After that, take the Research Smart Quiz and get a Library Digital Literacy Certificate with your name on it.

There are 5 questions in each module. To receive a Library Certificate, you must answer at least 80% of the questions in each module correctly.

At the bottom, there is a graphic representation of the five modules as 3D blocks. The 'Search Effectively' block includes icons for 'terms statement?', 'major concepts?', and 'search strategy?'. The 'Find Resources' block shows 'Magazines' and 'Journals' with a magnifying glass. The 'Evaluation' block shows a checklist and a hand writing on a document. The 'Disseminate and Share Information' block shows a hand pointing at a network diagram.
